

MagView

AED 60.00

SKU: DW-055

MagView Flask combines modern hydration with smart technology. This 24oz/710ml vacuum-insulated bottle keeps your drinks at the perfect temperature, while the integrated MagSafe phone holder securely holds your phone. With a 90° tilt and 360° rotation, you can easily adjust your phone for hands-free viewing in portrait or landscape mode. Whether you're on a video call or following a recipe, the MagView Flask makes it simple to stay connected while staying refreshed. Its easy-carry handle and universal MagSafe compatibility adds convenience to your day.
